

## Orb Wall Light with Elliptical back plate.

The Orb Wall light offers a sleek lighting update featuring clean lines and sophistication to enhance any modern decor. Its glass ball shade in matt opal finish diffuses an elegant glow of light to produce a warm atmosphere.

Mounted on a slim metal elliptical plate to complete an understated accent, a choice of three finishes allows you to easily complement any interior theme.

Either as a single fitting or multiples, this wall light adds signature flair to your bedside, bathroom vanity and commercial venues such as restaurants and cafes. This wall light can be mounted vertical or in the inverted (upright) position as well
