

LIGHTING THAT OUTPERFORMS SINCE 1998

ULEDBAR-AL-FLEX01-3M

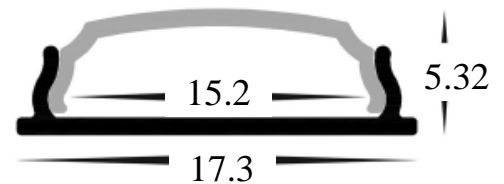

Bendable Aluminum LED Profile (ULEDBAR-AL-FLEX01-3M) can be bent to meet the contours of different shaped surfaces, such as curved bar or desk. Whilst the profile adds to the aesthetics of the installation it also offers a number of benefits. Act as a heatsink and a protection of the LEDs from dust and humidity. Supplied with 2x mounting clips and 2 x end caps per meter.
