

CYCLOP 12W SLIMLINE SURFACE MOUNT DOWN LIGHT

FEATURES

- Aesthetically Slim line Design
- 12 Watts
- 3000K
- 900 Lumens
- CRI : 97
- Dimmable – Phase Cut
- 5 Year Warranty

The Cyclop is compact in size smaller than the standard surface-mounted Downlights. Suitable for 7 star rating homes which eliminates the need for cut outs, holes in insulation, stopping conditioned air and heating from escaping through the roof. Simple twist-lock mounting system installation
