

LIGHTING THAT OUTPERFORMS

SINCE 1998

CENTRO 4 / 7 / 10

The Centro Spike is a versatile outdoor lighting luminaire designed for easy installation into the ground. It features a simple and functional design, available in three different sizes. The lamp's alignment can be effortlessly adjusted using its flexible swivel mechanism. The Centro Spike Luminaire is an excellent choice for illuminating trees, flower beds, facades, sculptures, or landscape features. It operates at both AC/DC 12V and 24V with an IP65 water protection rating ensuring safety and durability in outdoor environments.
