UVIVA-S-SB-3CCT-DIM

UVIVA-L-SB-3CCT-DIM

The VIVA slim cylindrical pendant is designed to evoke a marked contrast between boldness and subtlety featuring an assertive, minimalistic luminaire with the option of 3 three colour change of its projected light. This pendant looks distinctive in a solo installation or hanging in multiples to create a thematic look within a room. The luminaire comes in in 2 lengths and is designed to be installed either as a pendant or surface mounted spot light.
